About O2 Czech Republic

O2 is the largest integrated telecommunications provider in the Czech market. At present we operate close to eight million mobile and fixed accesses, which ranks us among the market leaders in fully converged services in Europe. To users of mobile services in the Czech Republic we offer state-of-the-art HSPA+ and LTE technology. For our customers, the O2 brand does not mean telecommunications only. O2 is capable to meet also the most demanding customers’ requests also in ICT area and offer them hosting, cloud and managed services in our data centres, with total floor area of 7,300 square metres. O2 data centres obtained as the first commercial ones in the Czech Republic and Central Europe TIER III certification. With our O2 TV we are also the largest IPTV service provider in the Czech Republic.
